BEGONIAS

REX

<u>AMERICAN BEAUTY</u> - Red & black upright.	\$1.00
<u>DEW DROP</u> - Pearly ivy shaped leaves tinted pink.	1.00
<u>"IT"</u> - Green leaves striped with silver. Pink flowers.	1.00
<u>MARION LOUISE</u> - Pointed, shapely lobed leaves, silver green, bright green center & edge.	1.00
<u>SILVER FLEECE</u> - Light green stippled with silver, yellow flowers.	1.00
<u>SIR PERCY</u> - Small metallic silver leaves, dark green edge, red under, pink flowers.	1.00
<u>SILVER SWEET</u> - Silver grey, dark veins, pink flowers.	1.00
<u>VERSICOLOR</u> - (Fairy Carpet) China. A beautiful plant with radiating design of light green laced and interlaced with silver, red & bronze covered with red hairs.	5.00
<u>Seedlings</u> - Many beautiful patterns - green, silver & reds.	.75

FIBEROUS ROOTED

<u>ACIDA</u> - Round light green puckered leaves, white flowers.	1.00
<u>CATALINA</u> - (Lady Waterlow) Small glossy green, sparsely hairy toothed leaves. Flowers large pink outside, white inside.	1.00
<u>CORBEILLE DE FEU</u> Glossy green leaves. Scarlet blooms.	1.00
<u>CUBAN HOLLY</u> - Dark green wavy leaves, holly shaped, large white flowers.	1.00
<u>CUBAN SPECIES</u> - Light green hairy leaves, white flowers.	1.00
<u>DANCING GIRL</u> - No leaves on the plant are alike. Bushy plant. Leaves green laced with silver. Outstanding.	1.50
<u>DICHOTOMA</u> - Leaves light green, roundish, lobed. Pearl like white flowers.	1.00
<u>DIGSWELLINA</u> - Small toothed glossy green leaves. Large red flowers.	1.00
<u>DWARF FRUTICOSA</u> - Thick dark leaves, small white flowers.	1.00

Fibrous Rooted (Continued)

- 2 -

<u>B. FRANCONIS</u> - Green toothed hairy leaves, pink flowers.	\$.75
<u>FRUTICOSA</u> - Thick dark leaves, small white flowers.	1.00
<u>INGRAMI</u> - Small long pointed leaves, bronzy green. Deep pink flowers.	1.00
<u>JEAN PERNETT</u> - Bronze pointed leaves outlined in red. Large clusters of deep rose flowers.	1.00
<u>KELLERMANI</u> - Round cupped leaves covered with white scurff, large white flowers.	1.00
<u>MARGARETACEAE</u> - Metallic purple leaves, erect growth, large pink flowers.	1.00
<u>NITIDA</u> - Leaves glossy green. Slightly cupped. Flowers white.	1.00
<u>OADI</u> - Glossy green leaves, pale pink flowers.	1.00
<u>PAUL BRUANT</u> - Five lobed, glossy green leaves, pink flowers, brownish flowers.	1.00
<u>PERLE LORRAINE</u> - Dark green ovate pointed leaves marbled with chocolate, lighter green beneath & red mottled. Flowers soft pink.	1.00
<u>PINAFORE</u> - Leaves long and pointed, slate green silver spotted, red beneath, ruffled, large bright salmon flowers.	3.00
<u>PREUSSIN</u> - Small olive green leaves, faintly spotted silver. Large pink flowers.	1.00
<u>RICHARD ROBINSON</u> - One of our loveliest begonias. A low compact plant. Leaves silvered green, lobed and finely toothed. Upper leaf veined in brown with a red sinus, lower side veins outlined in red.	2.00
<u>SACHSEN</u> - Small reddish bronze leaves. Dark pink flowers.	1.00
<u>SCABRIDA</u> - Round light green hairy leaves. White pearl like flowers.	1.00
<u>TEMPLINI</u> - Glossy green leaves blushed yellow, waved red tinged margin. Pink flowers.	1.50
<u>WASHINGTON ST.</u> - Dark green glossy peach like leaves on tall arching stems. Clusters of large white flowers.	1.00

RHIZOMATOUS GROUP

<u>AMY</u> - A lovely black star, shallow lobed, spiralled overlapping leaf puckered. Buds red opening to deep pink. A cross of Kenworthyi & Starfolia by Amy Breshears.	2.00
--	------

Rhizomatous group (Continued)	- 3 -
<u>BEATRICE HADDREL</u> - Rich black star type. Green veins.	\$1.50
<u>BESSIE BUXTON</u> - Upright, leaves dark green, similar to B. Feasti. Large pink flowers.	1.00
<u>BILLY</u> - Seven pointed star. Reddish brown, light green veins & sinus. Rose underneath. Flowers deep red buds opening to rose pink. Cross Kenworthyi & Starfolia by Amy Breshears.	1.50
<u>BOW CHANCE</u> - Green leaves with brown stitching around edge. Pink flowers.	1.00
<u>BOW NIGRA</u> - Star type bronze leaves. Light green marking. Pink flowers.	1.00
<u>BRIGHT EYES</u> - Leaf similar to Joe Hayden only lighter color. Large pale green sinus. Flowers pink.	1.00
<u>BROCADE</u> - Iridescent silver over green. White blooms tinted pink.	1.00
<u>BUNCHI</u> - (Lettuce leaf) Light green, crested edge. Pink flowers.	1.00
<u>CAROL STAR</u> - Glossy green palm like, deeply cut leaves. Flowers pink.	1.00
<u>CRESTABRUCHI</u> - Leaves glossy green ruffled hairy. Petioles rose color. Pink flowers.	1.00
<u>EDITH M</u> - A beautiful light green leaf with chocolate marking, underneath light green, red marking. Stems dotted red with white hairs. Flowers large, pink.	1.50
<u>ELOISE</u> (Dwarf) - Small dark green leaves, pale pink flowers.	1.00
<u>ERYTHROPHYLLA FEASTI</u> - Medium round glossy dark green leaves, small pink flowers. A good winter bloomer.	1.00
<u>ERYTHROPHYLLA HELIX</u> - Spiraled dark green leaves with a crested and ruffled edge. Small pink flowers.	1.00
<u>FISCHERS RICINIFOLIA</u> - Large light green leaves, red tinged beneath. Rhizome creeps in serpentine fashion. Small pink flowers on long erect stems.	1.00
<u>HERACLEIFOLIA PYRAMIDALIS</u> - Green star leaf. White blooms.	1.25
<u>HISPIDIVILLOSA</u> - Light green round leaves. Prominent veins. Course hairs. Medium grower. Stems covered with maroon hairs, red flowers in winter.	1.50
<u>HYDROCYTILIFOLIA</u> - Miniature Pond Lily Begonia. Small round thick dark green leaves, chocolate marking. Pink blooms in winter.	1.00

Rhizomatous group (Continued)

- 4 -

<u>INTAGLIO</u> - Olive green star shaped leaves veined silver.	\$1.50
<u>JOE HAYDEN</u> - Black star shaped leaves. Pink flowers.	1.00
<u>KONGO</u> - Sharply lobed & pointed olive green leaves, white veins and sinus. Dark red underneath.	1.00
<u>LEGACY</u> - Bronzy star shaped leaves. Red underneath. White flowers.	1.25
<u>LETONICA</u> - Leaves light green, red beneath, brown hairs. Flowers clear pink.	1.00
<u>MANICATA AUREO MACULATA</u> - Thick green leaves. Yellow blotches. Small pink flowers.	1.25
<u>MANICATA CRISPA</u> - Round medium green leaves, edge ruffled & crested. Odd twisted stems. Often called snake begonia.	1.25
<u>MELROSE X</u> - Small pointed reddish brown leaves, light green veins, red underleaf. Leaves & Stems covered with white hairs.	1.25
<u>MEXICAN #2</u> - Upright, round medium green leaves. Chocolate lacing. Pink flowers.	1.00
<u>MISSOURI</u> - A new outstanding star shaped leaf with brown and chartreuse marking. Flowers deep pink. A cross of Kenworthyi & Starfolia by Amy Breshears.	2.00
<u>PEARLI</u> - Small hairy pebbled light green leaves overlaid with a pearly glow. White flowers.	1.25
<u>POPENOEI</u> - Large bright green pointed leaves. Large white flowers. Tall erect panicles.	1.00
<u>RICINIFOLIA</u> - Large bronzy green leaves. Pink flowers.	1.00
<u>RUBELLINA</u> - Leaves broad lobed 7 pointed. Dark olive green with chocolate lacing. Greenish white flowers.	1.00
<u>STRIGILLOSA</u> (Mexican Species) - Light green leaves, chocolate marking.	1.50
<u>SPAULDING</u> - A miniature with round green leaves, brown marking. Red underneath. Light pink flowers.	1.00
<u>SILVER STAR</u> - Sharply lobed green leaves, heavily blotched with silver. Pink underneath. Leaves face up on erect stems. Pale pink flowers.	1.25
<u>SUNBAR X SUNDERBRUCKI</u> - Large olive green leaves light green veining & eye, red underneath. Stems and underleaf covered with white hairs. Small pink blooms.	1.00

Rhizomatous group (Continued)

- 5 -

TAMO - Upright, leaves greenish brown above, red beneath.
White flowers. \$1.00

VELOZIAD - Round olive green leaves. Light green veins,
reddish purple beneath. Stems & veins covered with white
hairs. 2.00

VIRGOB - Deeply lobed & pointed reddish brown leaves with
heavy chartreuse veining. Under side red with
chartreuse marking. Stems & leaves covered with long white
hairs. 2.00

ZEE BOWMAN - Small green pointed leaves overlaid with
silver. Pink flowers. A compact grower. 1.25

HANGING BASKET BEGONIAS

BOWERI - Dwarf Rhizome, small green ruffled leaves, black
marking around edge, long white hairs on edge and stems.
Pink flowers. 1.00

BOWERI MAJOR - Larger than its cousin. Vibrant green leaves,
black stitching around edge of leaves. Pink flowers. 1.00

CONVOLOUCE - Glossy light green nasturium leaved. 1.00

D'ARTAGNON - Queen of the basket begonias. Leaves forest
green, underleaf satsuma plum. Matted white hairs resemble
hoary frost. 2.00

DWARF HOUGHTONI - Olive green leaves. Red beneath. Soft
white hairs. Large clusters pink bearded flowers. 1.25

FOLIOSA - Small fern like dark green leaves. Showers of
white blooms. 1.25

IVY EVER - Small heart shaped glossy green leaves with red
veins & a red sinus. Clusters of large pink flowers. 1.25

LIMMINGHEI - Light green pointed leaves. Salmon flowers. 1.00

MME. FANNY GIRON - Small green pointed leaves. Scarlet
flowers. 1.00

MARJORIE DAW - Bright green leaves. Pink flowers. 1.00

SHIPPY GARLAND - Glossy scalloped edge, dark green leaves.
Pink flowers. 1.00

ANGEL WING & CANE TYPE

ALBO PICTA ROSEA - Small green silver spotted leaves.
Dark pink blooms. .75

Angel Wing & Cane Type (Continued)

.- 6 -

<u>ALZASCO</u> - Dark green leaves. Faintly spotted red underneath. Dark red flowers.	\$1.00
<u>ARGENTEA-GUTTATA</u> - Olive green leaves, heavily silver spotted, red beneath. Creamy white sometimes pink tinged. Pink flowers.	.75
<u>BENNETT</u> - Small dark leaves, salmon flowers.	.75
<u>BERTHA STEWART</u> - Leaves olive green. Flowers red.	1.00
<u>BRIDAL VEIL</u> - Smooth medium green leaves, drooping branches. White flowers.	1.00
<u>CORALLINA DE LUCERNA</u> - Large olive green leaves, silver spotted, red beneath. Large beneath. Large clusters red flowers.	1.00
<u>DECORUS</u> - Leaves medium green. Flowers white.	.75
<u>DIANNA</u> - Bronze, silver spotted leaves, large salmon flowers.	1.00
<u>ELVIRA SWISHER</u> - Large deeply lobed leaves faintly laced with silver. Flowers orchid pink.	1.00
<u>GRACE</u> - Bright green pointed leaves. Clusters large white flowers.	1.00
<u>GREEN TREE</u> - Narrow medium green pointed leaves, silver mark- ing. Pale pink flowers.	.75
<u>HELEN KING</u> - Leaves bronzy green, silver spotted waved margin. Bright pink flowers.	1.00
<u>ILLUSTRATA</u> - Small round grey green leaves. Faint mottling. Flowers in winter.	1.00
<u>KEWENSIS</u> - Light green oblong pointed leaves. White flowers.	1.00
<u>LOBATA VARIEGATA</u> - Glossy green silver spotted leaves. Flowers white.	1.00
<u>LYNDLEU</u> - Medium green pointed leaves. Faintly marked with silver.	1.00
<u>MME. DE LESSUP</u> - Leaves ovate, pointedly lobed & toothed. Olive green faintly spotted with silver. Large clusters creamy white flowers.	1.00
<u>MRS. W. D. HORNEY</u> - Long bright green leaves. White flowers.	.75
<u>MRS. SCHINKLE</u> - Leaves long ovate, bright green. Small pale orchid pink flowers.	1.00
<u>MAY QUEEN</u> - Small lance shaped bright green leaves, silver spotted. Greenish white flowers. Drooping branches.	1.00

Angel Wing & Cane Type (Continued)

- 7 -

<u>MEDORA</u> - Small green leaves heavily spotted with silver. Large pink flowers.	\$.75
<u>NOORDI</u> - Bright green leaves. Flowers red with orange over-tone.	1.00
<u>ODORATA ALBA</u> - Light green leaves. Large clusters white flowers.	1.00
<u>PINK PARADE</u> - Bronzy leaves heavily silver spotted. Salmon pink flowers.	2.50
<u>PINK RUBRA</u> - Bright green pointed leaves, large pink flowers. A good basket plant.	1.00
<u>PINK SHASTA</u> - Light green leaves, basal lobe. Large soft pink flowers.	1.00
<u>PRESS-CARROT</u> - Leaves green faintly silver spotted, red tinged above and below. Large clusters carmen flowers.	1.00
<u>ROEZLI</u> - Round smooth light green leaves. Pink flowers.	1.00
<u>ROSSI</u> - Leaves light green flushed bronze, red margin. Pink flowers.	1.00
<u>ROSS SWISHER</u> - Large deeply lobed sprinkled with silver. Flowers orchid pink.	1.00
<u>RUBAIYAT</u> - Leaves ovate pointed green faintly spotted silver. Large deep pink flowers.	1.00
<u>TEUSCHERI</u> - Olive green leaves, red margin. Pink flowers.	1.00
<u>VELMA</u> - Green cupped leaves, large clusters rose red flowers.	.75
<u>WHITE MOUNTAIN</u> - Pointed olive green leaves spotted silver. White flowers.	1.00
<u>WHITE SHASTA</u> - Light green leaves, large white flowers.	1.00
<u>WINNING WAY</u> - Dark green leaves, silver marking. Clusters of pink flowers.	1.00
<u>WINTER JEWEL</u> - All that the name implies. Frosty green, toothed leaves. Pink flowers. Low bushy plant. Blooms winter.	1.00

HIRSUTE GROUP

<u>ALLERYI</u> - Dark green leaves. Bright pink bearded flowers.	1.00
<u>ALTO SCHARFFI</u> - Olive green, red under. Large clusters pale pink flowers.	1.00

<u>ANGULARIS</u> - (syn. <i>zebrina</i>). Long ovate pointed green leaves with grey veins. Clusters small white flowers.	\$1.00
<u>BRAEMAR</u> - Large glossy dark green leaves. Red beneath. White flowers. Pink bearded without.	1.00
<u>CHIALA</u> - Erect, bushy, leaves dark green, red beneath. Wavy edge. Greenish white flowers.	1.00
<u>CREDNERI</u> - Olive green soft hairy pointed leaves, red beneath. Large bearded pink flowers.	1.00
<u>DRURYI</u> - Glossy dark green leaves, small white bearded flowers.	1.00
<u>DUCHARTREI</u> - Leaves medium green, hairy, red veins beneath, white flowers, pink beard without.	1.00
<u>MARGARITACEA</u> - Dull metallic purple leaves, large pink flowers.	1.25
<u>MARGARITAE</u> - Small hairy olive green leaves. Bearded flowers.	1.00
<u>METALLICA</u> - Glossy olive green leaves. Metallic purple veins above red veins beneath. Clusters of light pink bearded flowers.	1.25
<u>MRS. W. A. WALLACE</u> - Olive green leaves. Ovate lance shaped, wavy margin, red beneath. Small pale pink flowers.	1.00
<u>NELLY BLY</u> - Compact plant with dark green toothed leaves. Bearded pink flowers.	1.00
<u>OTTO ALFRED X</u> - Large round light green leaves covered with white hairs. Red marking.	1.25
<u>PRUNIFOLIA</u> - Leaves smoky green, red under. White flowers.	1.00
<u>RED COMPTA</u> - Leaves dark bronzy green, glossy red beneath bracts & flowers bright crimson.	1.00
<u>RUFIDA</u> - Bronzy green leaves. Red under. Flowers bearded pink.	1.00
<u>THURSTONI</u> - Glossy bronzy green leaves, red beneath, bunched. Moss rose buds before small pink flowers expand.	1.25
<u>VEDDERI</u> - Soft hairy olive green leaves, red beneath. Small white, red bearded flowers.	1.00

SEMPERFLOREN BEGONIASSINGLE FLOWERS

<u>ADELINE</u> - Dwarf, light green leaves. Large pink flowers.	.65
<u>BEUTENMEER</u> - Bronzy red leaves. Pink flowers.	.65

Semperfloren-Single (Continued) - 9 -

<u>CHEERFUL</u> - Dark foliage. Pink flowers.	\$.65
<u>DEVOE</u> - Dark foliage. Pink flowers.	.65
<u>INDIAN MAID</u> - Dark reddish brown foliage, red blooms.	.75
<u>TINTED LIPPS</u> - Light green leaves, pink blooms.	.65
<u>WHITE PEARL</u> - Light green leaves. Deep pink blooms.	.65
<u>WINTER ROMANCE</u> - A compact plant, medium green leaves with outstanding pink and white flowers.	.75

DOUBLE FLOWER

<u>BALLET</u> - Dark foliage, large double white flowers.	1.00
<u>BIZARRE</u> - Outstanding blooms, chartreuse center with rows of yellow petals outlined with a row of pink petals. Dark foliage.	1.25
<u>BO-PEEP</u> - Dark foliage, large double pink flowers.	1.00
<u>CAMELLIA PINK</u> - Dark foliage, pink blooms.	.75
<u>CAMELLIA RED</u> - Dark foliage, red blooms.	.75
<u>CARMEN</u> - Dark foliage, deep pink flowers.	.75
<u>DEPESNA</u> - Light green foliage, double pink flowers.	.75
<u>GENEVA BLUSH</u> - Semi-dwarf. Red foliage, pink flowers.	1.25
<u>GENEVA RED</u> - Light foliage, red flowers.	.75
<u>LITTLE GEM</u> - Red leaves, double pink flowers.	1.00
<u>PIED PIPER</u> - One of the loveliest double creations. Dwarf bushy. Dark foliage. Clusters of crested pink flowers.	1.25
<u>SWANSON DOUBLE ROSE</u> - Light foliage. Deep pink flowers.	1.00

CALLA LILY BEGONIAS

<u>CALLA QUEEN</u> - Double pink flowers. Grass green leaves marbled with white. New leaves all white.	1.25
<u>LIGHT PINK</u> - Same foliage, light pink, single.	1.00
<u>RUBY JEWEL</u> - Semi-red double.	1.25

TUBEROUS & SEMI TUBEROUS

<u>EVANSIANA</u> - Large green leaves, purple veining underneath. Large bright pink flowers. Hardy.	Plants - 1.00 Tubers - .50
---	-------------------------------

Tuberous & Semi Tuberous (Continued)

- 10 -

MC BETHI OBTUSA - (multangula) Green maple leaves, white flowers. \$1.00

RICHARDSTANA - A dainty small compact plant, small toothed & lobed green leaves with purple veins. White flowers. 1.00

SCANDENS CORDIFOLIA - (syn. glabra) Large broad light green leaves. Short airy clusters of white flowers. 1.00

SEEDLINGS

CYPREA (Metalllica seedling) - compact light green leaves, white hairs. .75

HERACLEIFOLIA PYRAMIDALIS X - Crested light green star shaped leaves. Brown marking. .75

DIANNA SEEDLING - Unusual light green, silver spotted leaves. Large deep rose flowers. .75

IVY GERANIUMS

COUNTESS DE GREY - (Light pink) Semi-double, free blooming, long trailing. .75

MEXICAN BEAUTY - (Red) Semi-double, free trailing. .75

MONSOLET - (Cerise-rose red). .65

SUNSET IVY GERANIUM - Slow trailing, bushy. Variegated green and white leaf which tints pink when grown dry or in sun. Single white flushed lavender blooms. 1.00

TRICOLOR

HAPPY THOUGHT - Gold, rust with green edge, single red bloom. 1.00

LADY CULLEN - Gold leaf with red, brown and green. Single red bloom. 1.00

MISS BURDETT COUTTS - Pink, brown, red and white leaf. Single red blossom. 1.25

MRS. VELMA COX - Gold, red, pink and brown leaf. Single salmon blooms. 1.25

MRS. POLLOCK - Leaf gold, red, orange, brown. Single red blooms. 1.00

SKIES OF ITALY - Leaves gold edge, green brown and red. Single red blooms. 1.00

FOLIAGE PLANTS

FOR SHADY OR SEMI-SHADY WINDOWS

<u>BILLBERGIA NUTANS</u> - (Living Vase Plant) Spatha like foliage in vase effect. Flowers, green & yellow tassels droop from rose color sheaths.	\$1.00
<u>BRYOPHYLLUM PINNATUM</u> - Thick leaves deeply notched, produces new plants on leaves -- (Friendship plant).	1.00
<u>DRACAENA GODSEFFIANA</u> - Mottled white and yellow deep green foliage.	1.00
<u>DRACAENA SANDERIANA</u> - Long narrow white striped leaves. Small upright plant. Vase like.	1.00
<u>GERMAN IVY</u> - Succulent leaves. Trailer. Good basket plant.	.65
<u>HYPoESTIS SANGUINOLENTA</u> (Pink polka-dot plant) Dark green leaves, pink dots. Small purple flowers.	.50
<u>TRESINE HERBSTII</u> - (Chicken gizzard plant) Dark red foliage. Puckered light red veins.	.50
<u>TRESINE HERBSTII</u> - Dwarf variety of above.	.50
<u>TRESINE LINDENII</u> - Stems red, leaves yellow and green.	.50
<u>MARANTA KERCHOVEANA</u> - (Prayer Plant) Green leaves with brown marking. Leaves fold together at night.	.75
<u>MARANTA OPPENHEIMIANA TRICOLOR</u> - The most brilliant of dwarf marantas. Leaves of rainbow hue, bright rose underneath.	1.50

PEPEROMIAS

<u>P-Acuminata</u> - Glossy green leaves. Trailer.	.50
<u>P-Emerald Ripple</u> - Heart shaped. Pleated leaves. Emerald green.	1.00
<u>P-Hederifolia</u> - Round silver leaves dark green veins.	.75
<u>P-Little Fantasy</u> - Dwarf. Dark heart shaped pleated leaves.	1.00
<u>P-Rubella</u> - Tiny green leaves, reddish marking & red stems.	1.00
<u>P-Silver Wings</u> - Leaves a silver grey, wing.	.75
<u>Pedalanthus</u> - Variegated green, cream & pink foliage.	.50
<u>PILEA CADIEREI</u> (Aluminum Plant) Dark green leaves. Silver marking.	.75
<u>PILEA MICROPHYLLA</u> - (Artillery Plant) Fern like foliage.	.50

Peperomias (Continued)

- 12 -

RHOEO DISCOLOR (Moses in the cradle) - Metallic green, purple underneath. \$.75

SWEDISH IVY - Round thick light green leaves. .50

TOLMIEA MENZIESI (Piggy back plant) - Small plantlets form on the leaves. Nice basket plant. .50

FLOWERING PLANTS - SUN OR SEMI-SHADE

BELOPERONE GUTTATA - (Shrimp plant) Green leaves. Red bracts. .65

IMPATIENS - (Patient Lucy) White or salmon flowers. .50

IMPATIENS - Variegated green & white foliage, deep rose flowers. .65

JACOBINEA SUBERECTA - Dark green leaves, spikes of deep pink blooms in summer. .65

MARCIA GRACILLIS (Walking Iris) - Long medium green iris like leaves with blue & white flowers, brown marking. .75

OXALIS CASSIPES ALBA - (Dark green leaves. White flowers, basket variety. Free blooming type. .65

OXALIS CERNAU - Double yellow blooms in early spring. Basket variety. .65

OXALIS ORTGIESTI - Maroon foliage, yellow blooms all season. .65

VINES AND BASKET PLANTS

AESCHYNANTHUS PULCHRA - Dark green leaves, scarlet flowers growing out of purple cups. .75

CHLOROPHYTUM - Variegated green & cream leaves, long slender stems of white flowers, young plants form as flowers fade. .50

CEROPEGIA AFRO - Green heart shaped leaves, stringy vine. .50

CEROPEGIA DEBILIS - Long narrow green leaves with white marking. Odd tubular flowers. .50

CEROPEGIA THORNCROFTII - Grey green thick leaves & stems, large flowers. .50

CEROPEGIA WOODII - (Rosary vine) Grows from a corm. Dark green varigated white, lower leaf purple, small purple flowers. .50

COLUMNAS

C-ALLENI (Arguda) - Small smooth sharply pointed leaves, large red flowers. 1.00

Columnneas (Continued)

- 13 -

<u>C-BANKSII</u> - Dark green glossy leaves, reddish underneath. Russet orange flowers.	\$1.00
<u>C-CANAL ZONE</u> - Yellow. A small hairy light green leaf, yellow flowers.	1.00
<u>C-GLORIOSA</u> - Small hairy brownish leaves, large red tubular flowers.	1.00
<u>C-HIRTA</u> - Leaves and stems light green covered with red hairs. Flowers vermillion.	1.00
<u>C-LINEARIS</u> - Narrow dark green downy leaves. Pink tubular flowers.	1.00
<u>C-MICROPHYLLA</u> - Small hairy round leaves and white fruit, bright orange flowers.	1.00
<u>C-TULAE FLAVA</u> - Soft green leaves. Yellow flowers. White fruit.	1.00
<u>CAMPANULA</u> - Flowers, double blue star-makes beautiful basket plant.	1.00
<u>CAMPANULA FRAGILIS</u> - Single blue flowers. Finer foliage than the above type.	1.00

EPISCIAS.

<u>E-CANAL ZONE</u> - Medium green leaves. Clear yellow flowers.	1.25
<u>E-CHOCOLATE SOLDIER</u> - Dark chocolate leaves with silver midrib. Flowers red.	1.00
<u>E-CUPREATA</u> - Hairy bronzy foliage. Red flowers.	1.00
<u>E-DIANTHIFLORA</u> - A miniature rosette of light green pubescent leaves. Beautiful fringed white flowers.	1.25
<u>E-FULGIDA</u> - Large brown leaves, bright green veins. Red flowers.	1.00
<u>E-LILACINA</u> - Bronze leaf, red flowers.	1.00
<u>E-LILACINA VAR. FANNY HAAG</u> - Beautiful dark green leaves laced & interlaced with bright green. Large blue flowers.	1.00
<u>E-PUNCTATA</u> - A smooth blue green leaf flower fringed light yellow with maroon dots.	1.25
<u>E-SILVER SHEEN</u> - Leaves bright silver, dark margin.	1.00
<u>E-SILVER BEAUTY</u> - Silver green leaves brown marking.	1.00

EPISCIA SEEDLINGS

Many rare and unusual plants from Canal Zone & England. Some very dark small chocolate leaves. Others with pink and brown, silver and green.

\$.75

HOYA CARNOSA - (Wax Plant) Thick green leaves, fragrant pink star shaped waxy blooms.

.75

SUNNY WINDOWS

AMORPHOPHALLUS REVIERI - Sacred Lily of India. 1.00

HAEMANTHUS KATHERINAE - One of our most beautiful flowering bulbs. Umbels of bright red flowers. Broad leaves on 10 inch stems. Small bulbs.

1.00

HYMENOCALLIS UNDULATA (Amaryllis family) Long strap like dark green leaves. White spider flowers.

1.00

PASSIFLORA GRANDIFLORA (May Pop) Three fingered green foliage. Flowers white pink and blue.

1.00

PASSIFLORA CAERULEA - Large blue flowers.

1.00

PASSIFLORA TRIFACIATA - Variegated purple leaves with silver marking. Fringed white flowers.

1.00

MISCELLANEOUS GROUP

NEPHTYIS (Arrow plant) Dark green glossy green leaves with olive green center. Will grow in soil or water.

.65

PELLIONIA PULCHER - Light green leaves. Black lacing purple underneath. Creeper.

.75

SAXIFRAGA SARMENTOSA (Strawberry begonia) Dark round leaves with silver veins. Plantlets form on runners. Shower of small white blooms on long erect stems.

.65

SAXIFRAGA SARMENTOSA TRICOLOR - Beautiful green, white & pink foliage.

1.25

SAXIFRAGA LIGULATA - Leaves shiny green. Metallic lustre, stemless. Large flowers on 8 inch stems in large umbels of white. A fine new house plant.

2.00

SPIDERWORT FAMILY (Wandering Jew or Inch Plant)

COMMELINA ELEGANS - (Giant green and white leaves). .75

TRADESCANTIA FLUMINENSIS - Small green and cream leaves. .50

TRADESCANTIA LAEKENENSIS - Rainbow pattern of pink, white and green. .50

Spiderwort Family (Continued) - 15 -

<u>ZEBRINA PENDULA</u> - Red & silver wandering Jew	\$.50
<u>ZEBRING PENDULA</u> - Discolor Multicolor. Giant leaves.	1.00
<u>ZEBRINA PENDULA</u> - Quadricolor - New Multicolored.	1.00

F E R N S

<u>ADIANTUM WRIGHTII</u> (Maiden hair) Dainty fronds of light green, black stems.	1.00
<u>ALSOPHILA AUSTRALIS</u> (Australis tree fern)	1.00
<u>ASPIDIUM TSUSSIMENSE</u> - Feather like fronds, compact.	1.00
<u>BLECHNUM BRAZILIENSIS</u>	1.00
<u>BLECHUM GIBBA</u>	1.00
<u>CIBOTIUM CHAMOSORI</u> (Hawaiian tree fern)	1.00
<u>CYRTOMIUM FALCATUM</u> (Holly fern) Wavy holly like fronds.	1.00
<u>DICKSONIA ANTARCTICA</u> (New Zealand tree fern)	1.00
<u>DOODIA ASPIRA</u> (Rare)	2.00
<u>LYGODIUM SCANDENS</u> (Dainty climber)	1.00
<u>MICROLEPIA-SPELUNCAE</u>	1.00
<u>NEPHROLEPSIS</u> (Fluffy ruffles) Var. Boston - Fronds crested & ruffled.	1.00
<u>NEPHROLEPSIS DAVALLOIDES FUCANS</u> (Fish tail)	1.00
<u>NEPHROLEPSIS SMITHII</u> - Dainty lacy fronds.	1.00
<u>PELLAEA HASTATA</u>	1.00
<u>PHILLITIS SCOLOPENDRON</u> (Harts tongue)	1.00
<u>PHLEBODIUM SP.</u> - Blue green fronds, brown rhizome, white tips.	1.00
<u>PLATYCERUM ALCICORNE</u> (Stag Horn)	2.00
<u>POLYSTICHUM CAPENSE</u>	1.00
<u>POLYSTICHUM SETOSUM</u>	1.00
<u>PTERIS FLACEDA</u>	1.00
<u>PTERIS LONGIFOLIA</u>	1.00

Ferns (Continued)

<u>PTERIS TREMULA</u>	\$1.00
<u>PYROSSIA LINGUA</u> - Thick green leather like fronds, reddish brown underneath. Grows from rhizome.	1.00
<u>TYREMANNE HUMATA</u> - Creeping rhizome, basket fern.	1.00
<u>WOODWARDIA FIMBRIATA</u>	1.00
<u>WOODWARDIA ORIENTAL</u>	1.00
<u>WOODWARDIA RADICANS</u>	1.00

MOSSES & COMPANION PLANTS

<u>HELXINE SOLIEROLI</u> (Baby tears) Moss like trailing green foliage.	.50
<u>MULHENBEKIA</u> (Tape worm plant) A rare and unusual plant.	1.00
<u>SELAGINELLA BROWNI</u> (Scotch Moss) - Green fluffy mound.	.75
<u>SELAGINELLA DENTICULATA</u> (Scotch Moss) - Low trailing fern-like foliage.	.75
<u>SELAGINELLA MARTENSII WATSONIANA</u> - Variegated green & white fern-like foliage.	1.00

CACTI AND SUCCULENTS

<u>ALOE</u> - Broad dark green spotted leaves.	.50
<u>ECHEVERIA NODULOSA</u> - Grey-green rosettes.	.50
<u>ECHEVERIA PULVINATA</u> - Olive green rosettes.	.50
<u>EUPHORBIA SPLENDENS</u> (Crown of thorns) Red flowers.	.50
<u>KALANCHOE BLOSSFELDIANA</u> - Medium green thick leaves. Orange flowers in winter.	.50
<u>KALANCHOE TOMENTOSA</u> - Panda Plant - Silver grey fatted, edged brown.	.50
<u>KALANCHOE FEDTSCHENKOI</u> - Small bluish purple scalloped leaves. Orange flowers.	.50
<u>PERESKIA ACULEATA</u> - A true cactus with large shining yellow green leaves and lemon scented white flowers. Good stock for grafting Xmas cactus.	.75
<u>OX TONGUE</u> (Succulent)	.50
<u>RHOEO DISCOLOR</u> - Green leaves, purple underneath, silver veins.	1.00

Cacti & Succulents (Continued)

- 17 -

SEDMORGANIUM (Burro Tail) Hanging plant succulent blue leaves dusted grey.

\$.50

SEMPERVIRIUM CALCAREUM - Glaucous rosettes. Tipped reddish brown.

.50

SEMPERVIRIUM GILIA - Like above but all green.

.50

GLOXINIAS

(Growing instructions with each order)

BUELL'S SLIPPER TYPE HYBRIDS
(Medium tubers - \$1.00 each)

S-1 - Dainty small flowered, delicate blue.

S-2 - Shades of royal purple-blue, large blossoms.

S-3 - Large blossom, shades of red and soft rose.

S-4 - Large blossom, raspberry rose with a clear white throat.

S-5 - Pure white blossom speckled and misted with varying degrees of delicate pink. New strain, larger flowering.

S-6 - Pure white, speckled with purple. Large flowering.

S-7 - Collectors item - original creations, delicate pink or blue.

PATRICIA - Lovely soft pink petals, red marking on lower lip, some have green foliage overlaid with silver, others medium green foliage.

2.00

BUELL'S LARGE FLOWERED HYBRIDS

B-1 - Lovely shades of purple, velvety purple and rich wine purple.

1.00

B-1a - Similar to B-1 with throat of flower white or a light purple.

1.00

B-2 - Speckled throat with purple border.

1.00

B-2a - Speckled throat with border of delicate purple or lavender

1.00

B-3 - Suffusions of soft white and lavender laced with lovely intricate patterns of deeper lavender & purple.

1.00

B-4 - Shades of deep purple, white speckled border.

1.00

Buell's Large Flowered Hybrids (Continued)

- 18 -

B-5	- Huge ruffled blossoms, solid colors of brilliant red and scarlet.	\$1.00
B-5a	- Similar to B-5 but lighter in color.	1.00
B-6	- Deep pink to rosy red with artistically variegated throat.	1.00
B-6a	- More delicate in color and pattern than B-6.	1.00
B-7	- Shades of rosy red, white border, throat heavily speckled with red.	1.00
B-8	- Suffusions of soft white and pink laced with lovely intricate patterns of deeper pink speckles.	1.00
B-9	- Shades of pink.	1.00
B-9a	- White with pink border.	1.00
B-10	- White with purple border.	1.00
B-10a	- Dainty border of blue blending into a pure white throat.	1.00
B-11	- Shades of plum. Solid colors, some with markings in throat.	1.00
B-11a	- Lighter shades of plum with a narrow border and variegation in the throat than B-11.	1.00
B-11b	- Pure white, bordered in light shades of plum.	1.00
B-12	- Flowers are basically purple with some speckling and a suffusion of red in color.	1.00
B-13	- White ruffles, huge ruffled blossoms with a delicate speckling deep in the throat. Some tinted at the base of the petal.	1.00
B-14	- Bold flashing blossoms in an unusual rainbow pattern of soft reds and orange reds.	1.00
B-15	- Large white blossom, tinted light pink or blue.	1.00
B-16	- Large ruffled white, dotted with red.	1.00

GLOXINIA SINNINGIAS TUBERS

GLOXINIA PRENNIS - Tall growing plant with shiny grey green leaves and downy light blue flowers like Canterbury Bells. Scaly bulbs like Achimenes. A must in every house plant collection. 1.00

GLOXINIA EUMORPHIA - Small shiny green leaves. Flowers white with yellow or purple marking in throat. 1.00

SINNINGIA TUBIFLORA - A tall plant with small green leaves covered with hairs. Fragrant white flowers. 1.00

Gloxinia Sinnigias Tubers (Continued)

- 19 -

<u>MACROPHYLLA</u> - (Brazilian Gloxinia) Heavily veined foliage of dark green with darker shade on under side. Blossom of blue purple.	\$1.00
<u>REGINA</u> - Similar to Macrophylla. Leaves lighter green. Blossoms slightly lighter and shorter.	1.00

~ KOHLERIA TUBERS

<u>K-AMABILE</u> - Leaves hairy, light green overlaid with a beautiful pattern of brown. Spray of pink flowers dotted rose.	1.00
<u>K-BOGOTENSIS</u> - Brownish leaves, red flowers.	1.00
<u>K-LINDENIANA</u> - Beautifully veined velvety leaves. Flowers are blue and white.	1.00
<u>K-ENGLISH LINDENIANA</u> - Light green velvety leaves, chocolate edge and markings. Reddish purple under. Entire leaf covered with white hairs.	1.00
<u>K-SCIADOTYDEA</u> - Upright plant, downy leaves. Red edge and reddish orange flowers with deep lacing.	1.00

~ SMITHIANTHA TUBERS

<u>S-CINNEBARINA</u> - Leaves maroon velvet, flowers red.	1.00
<u>S-YELLOW HYBRIDS</u> - Leaves mottled, flowers yellow.	.75
<u>Seedlings</u> - Various shades & colors.	.50
<u>RECHSTEINERIA BUTTALUS</u> (Roehrs) Dark green leaves covered with white hairs.	1.00
<u>STREPTOCARPUS SAXORTUM</u> - Small dark green leaves that grow in whorls. White 5 petaled tubular flowers with a lilac face.	1.00

ACHIMENES

(Tubers 25¢ Each)

WHITE

<u>MARGARET</u> - Light green foliage, white flowers.
<u>MAXIMA</u> - 2" white flowers. Large light green foliage.
<u>DAINTY QUEEN</u> - White flowers, lavender center.
<u>EDMOND BOSSIER</u> - White purple marking, yellow eye.

PINK

ADELE DE LA HAUTE - Medium green foliage, shell pink flowers.

CAMILLE BRONZONII - Small lavender pink flowers.

PINK CHARM - Small dark green foliage, red under.

BLUE

ANDERSONI - Large pastel blue.

BRILLIANT - Pastel blue.

FRANCOIS CARDINALIS - Small blue white trumpet shaped flowers.

GIANT PANSY - Sky blue spotted yellow & purple.

JEWEL

LONGIFLORA MAJOR - Very large cobalt blue flowers.

MASTER PIECE - Reddish green foliage. Red under.

MAUVE QUEEN - Violet blue flowers spotted crimson, yellow eye.

MEXICANA - Smoky blue.

LAVENDER & PURPLE

ATROPURPUREA - Reddish purple flowers.

ESCHERIANA

HARRY WILLIAMS - Cereise flowers, 2' stems.

LOVELINESS - Small medium green foliage, violet flowers.

MAGNIFICENT - Petunia purple flowers.

MME. GEHUNE GRANDIFLORA - Rose purple flowers. Reddish bronzy foliage.

PATENS MAJOR - Dwarf reddish violet, white throat.

PURPLE KING - Rich purple. One of the best.

SCHEERI Large light green foliage covered with white hairs. Tubular Gloxinia shaped purple flowers with white throat.

REDS

CARMEN QUEEN - Bright carmen flowers.

CAROL - Small olive green leaves. Red stems. Strawberry red flowers.

COCCINEA - Deep scarlet flowers.

MASTER INGRAM - Crimson red flowers with orange throat.

MILTON - Strawberry red with orange throat.

PULCHELLA - Dwarf - late flowering Geranium red flowers.

SCARLET BEAUTY - Long stems, scarlet flowers.

VIVID - Cerise flowers.
